PROFESSIONAL SUMMARY

Sales and marketing professional with an MBA from IIM Jammu and a B.Tech in Electronics and Communication Engineering from NIT Puducherry. Sales experience across the full cycle: lead generation, cold outreach, account management, client presentations to senior decision-makers and closing. Marketing experience in positioning, customer research and campaign strategy, with one campaign doubling revenue within a month. An engineering background helps in learning new products quickly and explaining them simply to customers.

WORK EXPERIENCE

Management Trainee, Sales & Marketing

Apr 2026 – Present

Eckstein Engineering Business Solutions Pvt. Ltd., Pune, India

- Manage and grow a portfolio of European industrial accounts across Germany, Austria and Italy: account planning, follow-ups and meetings with owner-managers and senior decision-makers.
- Generate leads through company-specific cold email and cold-calling campaigns to German Mittelstand machine builders, securing introductory meetings with senior decision-makers.
- Develop tailored pitches by mapping each client's goals to Eckstein's Build-Operate-Transfer (BOT) and Global Engineering Centre (GEC) model, and qualify out opportunities where the model is not a fit.
- Conduct India market-entry research for German industrial machinery clients: market sizing, competitive landscape and target account segmentation.
- Lead India market discovery for a German packaging automation client, mapping production and packaging practices of Indian food manufacturers.
- Analyse and prioritise accounts in Microsoft Excel and maintain the account research database used by the sales team.
- Built the corporate pitch deck for European machinery SME audiences and delivered client presentations to senior European stakeholders.
- Prototyped a B2B sales CRM using AI-assisted development and wrote the 10-page Business Requirements Document (BRD) and feature specifications for the developer-led build.

Marketing Intern

Apr 2025 – May 2025

Periyar Dairy Farm LLP (AMG Group of Companies), Gaudham Farm Stay

- Led the marketing strategy for the turnaround of Gaudham Farm Stay: positioning, unique selling proposition (USP) and content themes for Instagram and campaigns.
- Conducted customer interviews with past guests by phone and used their feedback to define the USP and messaging.
- Selected keywords from customer conversations and worked with the SEO specialist to align them with high-volume search terms.
- Briefed the graphic design and content team on themes and keywords, reviewed performance and refined the content plan.
- Proposed a 10% returning-guest offer, agreed it with management and re-engaged past guests directly; revenue doubled within one month.

Sales & Marketing Intern (live project)

Oct 2024 – Nov 2024

Edukon Digital, Remote

- Managed the full sales cycle for digital development courses: prospecting, qualification, objection handling and closing.
- Converted 14 of 60 qualified prospects into paying customers, a 23% conversion rate.
- Exceeded all assigned sales targets within a six-week engagement.

EDUCATION

Master of Business Administration
2024 – 2026

Indian Institute of Management Jammu, Jammu, India

B.Tech, Electronics and Communication Engineering
2020 – 2024

National Institute of Technology Puducherry, Puducherry, India

Class XII & Class X (CBSE)
2017 – 2019

Khalsa Public School · St. Xavier's School, Port Blair, Andaman & Nicobar Islands

- Class XII: 79.4% (Khalsa Public School, 2019). Class X: 74.1% (St. Xavier's School, 2017).

SKILLS
